

Season's Greetings and Family Update for 2024

We enjoy watching our children and their families grow: Tommy (9) works in Papa's shop, big sister Lois (14) with Tommy. David and new wife Jesica. The Miles family at Lois's 8th grade graduation. Tommy and Lois are still on the Bear Valley Ski Teams, swim, play musical instruments, and now waterpolo. Tommy loves Circus Arts, Little League and drawing. David is programmer/designer, paints, plays guitar and drums, and has many friends near Ensenada, Baja, Mexico. Our new daughter-in-law Jesica has 2 adult children,

is a pacemaker specialist, loves cooking, and has many other interests and talents. Aimée produced, directed and sang in first her opera concert. She also teaches Spanish at Tommy's school and is active in many groups. John has several jobs—Technical Director for Ted AI, has a CBD business, and coaches skiing at Bear Valley. Above right shows the family below their tree house—one of many jobs everyone has.

Congrats, Jesica and David!
